WILLIAM **GEHRKE**

Middlesex, NJ 08846 | 732-556-7870 | WilliamEGehrke@gmail.com | WillGehrke.com

Full Stack Web Developer

As a web developer with a background in human services, I bring a unique perspective to the field. My experience working with diverse communities has given me an in-depth understanding of the needs of different users, which is vital in creating user-friendly and accessible websites. My background in human services has also taught me the importance of clear communication and attention to detail - all of which are critical skills I bring to my work in web development.

Skills

- HTML
- CSS
- Javascript
- React.js
- React MUI
- MongoDB
- MySQL
- GraphQL
- Express.js

Software Development

MovieSwipe
Fullstack MERN application that allows users to save their favorite movies through swiper interaction

StreamingSearch
Node application using API calls to search movie and TV shows current streaming platforms

CodeABreak
Express and Node application that allows users to share resources for coding
